“ Dear friends,

Mom wrote the following letter, which was to be read at her funeral, and then a copy put into the crypt with the ashes of Dad and herself. I know she would want me to share this with you--it really expresses her heart.

Thank you so much for your love and kindness toward my mother.
Kathy (Kuhles) Budnie

Thank You, God. You have blessed me many times over during my life, giving me wonderful parents and siblings, a loving husband, and two loved daughters.

Thank You for Your grace and forgiveness of my sins through Jesus Christ's suffering, death, and resurrection.

Thank You for the many wonderful people I have met and known.

I have been blessed. Thank You.

To all: Thank you, and God bless you.

Love, Eleanor"

“ Mom was most remembered for "giving the best hugs!" More than anything, others reminded me of how much she loved to give and get hugs!

“ I also met Eleanor last year when she joined our bible study. She was an inspiration to me. Eleanor loved preparing for our bible study, many times she mentioned preparing with her daughter. She had some wonderful stories to tell. She enjoyed sharing in our study. I will miss her smile. I know she is with God.

“ I knew Eleanor for less than a year. She started coming to our bible study at church. She added a sweet perspective to our study class and often made us chuckle with her comments. She often mentioned her two beautiful daughters. I began to pick her up for the study time and that branched over to bringing her to church on Sundays. I have wondered over the last few weeks why God chose me to be blessed with those extra moments of time with her. She was a dear lady. She had a godly spirit. I will miss seeing her especially when we all go back to church and we drive by her apartment building. I thank God that I was able to know her. May God hold you all in the palm of his hand as you grieve. Blessings in Christ, Diane Smith
